SUMMARY

As a fresher, I aim to begin my career as a Full Stack Web Developer where I can apply my skills in Python, Django, HTML, Bootstrap, CSS, JavaScript, and MySQL. I am eager to learn modern technologies, build real-world applications, and grow within a forward-thinking development team.

TECHNICAL SKILLS

- **Programming Languages:** Python
- **Web Technologies:** HTML 5, CSS 3, Javascript
- **Database:** MYSQL
- **Frameworks:** Bootstrap 5, Tailwind CSS 4, Django 5.2
- **Version control:** Git, Github
- **Other Tools and Technologies:** Visual Studio Code, Pycharm, IDLE, Redis, Websockets, Django channels
- **Currently Learning:** Node js, React js

SOFT SKILLS

- Communication
- Team Collobaration
- Time Management
- Logical Thinking
- Creative ideas
- Problem Solving

PROJECTS

Chat Application

Sep 2025

- **Description** - A real-time chat application built with Django, Django Channels, Redis, WebSockets, PostgreSQL, HTML, CSS, and JavaScript. This project demonstrates how to combine modern web technologies to build an interactive and scalable communication platform. Unlike traditional apps that reload for updates, this chat system uses WebSockets to provide instant messaging between users.
- **Tech Used** - HTML5 CSS3 JavaScript, Django, Django Channels, Redis, Websocket, Postgresql
- **Features** - Signup, Register, Logout, Realtime message, Online users,

ToDoList Web Application

Aug 2025

- **Developed** a full-stack task management application using Django, Python, HTML, CSS, and MySQL. Implemented secure user authentication (signup/login), task creation, update, and deletion features, with a responsive interface for efficient daily task organization
- **Tech Used** - Django, Python, HTML, CSS, MySQL
- **Features** - Signup, Login, Logout, Edit, Update, Delete

Portfolio

Sep 2025

- **Description** - Built a clean, mobile-friendly portfolio to showcase projects, skills, and contact information. Developed a fast, responsive, and modern interface for optimal user experience. Implemented modern web technologies to create a visually appealing digital showcase
- **Tech Used** - HTML5 CSS3 JavaScript
- **Features** - Responsive website, Personal Website, Showcast skill, Education, about, course, projects

EDUCATION

- Master of Arts in English, Government Arts College for Women, Pudukkottai, Tamilnadu, 2024
- Bachelor of Arts in English, JJ College of Arts and Science, Pudukkottai, Tamilnadu, 2022
- Vairams Matriculation Higher Secondary School, Pudukkottai, Tamilnadu, 2019
- Karpaga Vinayaga Matriculation Hr Sec School Pudukkottai, Tamilnadu, 2017

COURSES AND CERTIFICATIONS

- Python Fullstack Development - 2025
- Diploma in Computer Applications - 2024
